

SEVIERVILLE POLICE DEPARTMENT

Memorandum

To: CALEA file 52.1.2	Date: November 16, 2009
From: Captain Terry P. Bryan	Subject: 2008 Complaints Summary
Signature: 	Distribution: File

Form: ADM-0052 (0699)

In review of the 13 complaints in 2008 there were 10 (77%) listed as Discourteous Treatment of the Public, two (15%) listed as Conduct Unbecoming a Public Officer and one (7%) listed as Willful Acts that could Endanger Lives & Property of others. One officer had four complaints filed against him (three for Discourteous Treatment of the Public and one for Willful Acts that Endanger Lives & Property). The three Discourteous Treatment of the Public were unfounded and the one Willful Acts that Endanger Lives & Property was exonerated. One officer had two complaints for Discourteous Treatment of the Public. Both complaints were unfounded. One detective received two complaints for Discourteous Treatment of the Public with one being exonerated and the other being sustained. The data indicates that only officer acted less than professional and was counseled. All other complaints did not occur or the officers were justified in their action.
