This is a convenient opportunity available to our customers that will help support our local United Way of Sevier County. Water customers can participate by voluntarily choosing to "Round-Up" their monthly water bill to the next whole dollar when paying their bill. All donated funds will be directly dedicated to the United Way of Sevier County. Individual contributions never amount to more than \$0.99 cents each month so the total never exceeds \$12.00 per year. Take this opportunity for your small change to make a big difference in our community as we "Unite with United Way".
