Monthly Report for: **July 2018**

Ups for the month

-Due to deadlines, vacations and other issue last month we were unable to report on the Revenues, Attendance Numbers and other Data for FY2018. We go to great lengths to maintain and monitor this information so to give everyone a pulse of where we are in our budget; and to determine if we are achieving our goals established in our benchmarking program. Therefore, most of this report will be informing you on how we ended for Fiscal Year 2018. However, the major highlight of the month was the completion of the ADA Ramp for the Civic Center. This was a true team effort between Parks and Rec and Public Works.... Below is a picture of the finished project.:

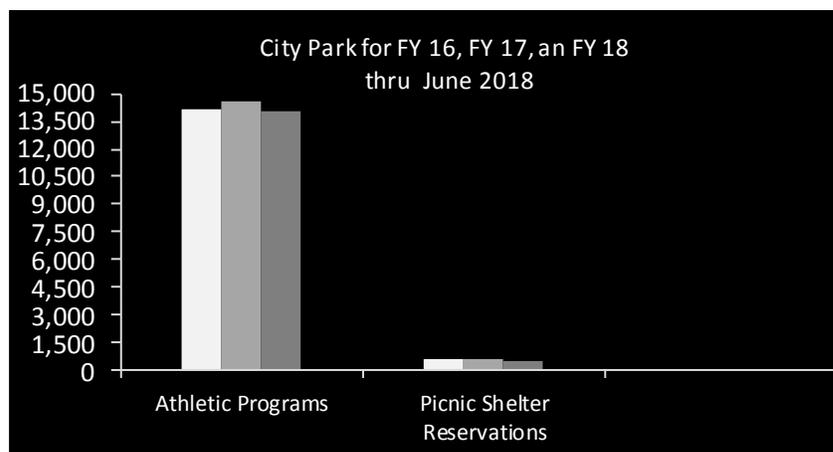

Not so much an up; but a necessary change

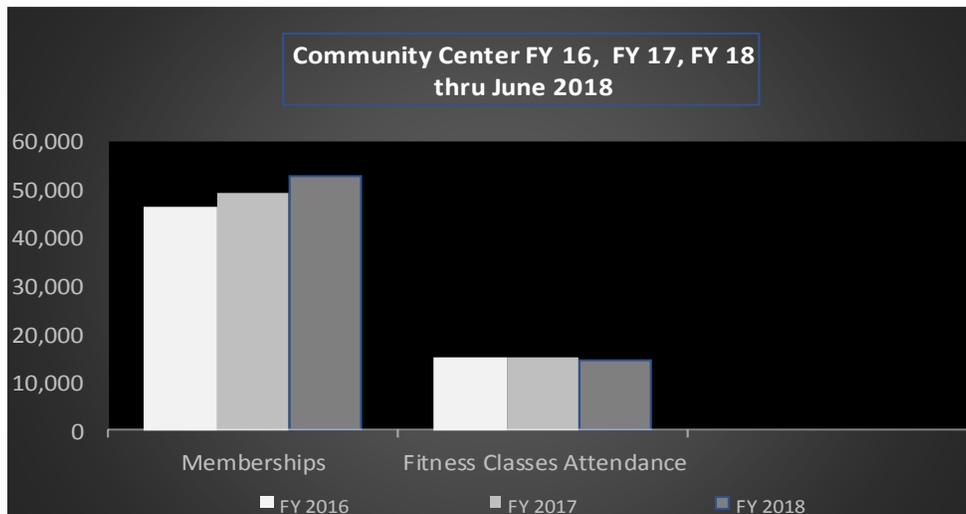

-We are being challenged by homeless sleeping on the Greenway and at City Park. The Police Department has been great to assist with this challenge. We are working with the Police Chief and City Attorney to create some changes that will assist us in enforcement.

Parks and Recreation: This division includes but is not limited to: All outdoor parks, greenways and all other city and city contracted properties. This division also includes Winterfest, Beautification and Trees with the primary goal of this division being to provide overall departmental leadership and support plus providing clean, safe and aesthetically pleasing public areas throughout the City of Sevierville.

Community Center: The Community Center is a 43,000-square foot multipurpose building that includes: 10-lane bowling center, 6-lane natatorium, children’s programs, gym, two racquetball courts, weight, fitness and spinning room, locker rooms and administrative offices for Community Center Management.

Civic Center: The Civic Center provides 11,000 square feet of multipurpose public meeting space and rental areas. The Civic Center has two meeting rooms, Council Hall and LeConte Auditorium. Administrative Offices for the entire Parks and Recreation Department.
