Flurry of Fun

2020-2021

Welcome to the Kids Unlimited Programs! Kids Unlimited consists of four programs throughout the year for children. Active Afternoons takes place each afternoon following the school day. Summer Adventure is a seven week program held during the summer. Flurry of Fun takes place during the Christmas break and Spring Extreme is held during the week of spring break. All of these programs are supervised, organized, structured and recreational. Our staff has been carefully selected to provide your child with a safe, active, fun alternative to regular childcare. Our main purpose is to provide excellent supervision and unlimited activities which includes all kinds of sports, field trips, art, plus many more games and activities.

Each program has its own “Waiting List”. Please contact Deanna at 868-1875 or dhutchens@seviervilletn.org to be placed on the waiting list for any of the programs mentioned above.

Registration Information:**Registration Dates:**

1. Children in the Active Afternoons Program may register any time after the registration forms are available.
2. Other current customers, meaning anyone who participated in last year's Flurry of Fun Program and their sibling(s) may register on November 17, space permitting.
3. When #1 and #2 are completed and if we still have openings, we will begin filling those openings from the waiting list.

Even though you are a current customer, meaning you are enrolled in the current Active Afternoons Program and/or you participated in last year's Flurry of Fun Program, you are NOT guaranteed a spot. Registration could fill at any time. First come, first serve. A completed registration form and the complete fee are required at registration. The fee is non-refundable and non-transferable to other children or programs. For questions about the Flurry of Fun Program contact Deanna at 868-1875 or dhutchens@seviervilletn.org.

Program Dates and Times: December 28, 29, 30, January 4 and 5.

The Flurry of Fun Program meets 8:00 am – 5:00 pm on the above dates. Children should arrive at the Sevierville Community Center gym each day by 8:45 am. Supervision by program staff begins at 8:00 am and ends at 5:00 pm each day.

In case of bad weather/road conditions, we will try our best to begin the Flurry of Fun Program at the normal start time of 8:00 am. However, if these conditions exist, please call 453-5441 (the Community Center Front Desk) for information regarding cancellation or a change in start time.

Fees: \$120.00 for the five day program. Complete fee is due at registration.

This fee includes most lunches, an afternoon snack and most field trip admissions. Please consult the activity schedule for details.

Ages: Kindergarten – 6th grade.

Older children may be allowed to participate; however, they should understand that the scheduled activities are geared for grades K – 6th and their play, behavior, language, conversation and device usage should be appropriate for our youngest participants. Also, older children may not be allowed to participate in some of the scheduled activities.

Parents with younger children should consider the activities and field trips that we do and understand that there are some children that **may not be ready for a program such as this**, even if they meet the age requirement. We are involved in many different field trips that require the children to pay close attention, follow directions, stay with their group leader and keep up with their own belongings (including their clothing and money). Some of our field trips/activities may require the children to change clothes for swimming situations; they must be able to do this without supervision or help, including gathering clothing into their bag and following directions on what to do with their bags. Also, many of our field trips require us to be in areas with crowds. The children must pay close attention, follow their group leader and not be distracted. If you choose for your child to bring money, please set them up with a convenient, hands free way of carrying it and realize that while our staff will try to help them with their money when they are purchasing something, we cannot carry their money and/or be responsible for their money.

Basic Activities: Activity schedules will be available a week in advance of the program starting date. Various field trips could include Tram Ride to Ober Gatlinburg and Ice Skating, Movie, Golden Corral Lunch Buffet, The Island, Sevier Air Trampoline Park and The Wilderness Indoor Water Park. The movie that the Flurry of Fun Program will be attending could be rated G or PG. Other activities include swimming, Cosmic Bowling, dodgeball, kickball, whiffleball, basketball, soccer, karaoke and art projects. Field trips and activities are subject to change.

What To Bring: Children should wear appropriate clothing and shoes for the scheduled activities and for the weather conditions. Most lunches are provided. A lunch menu will be issued. If you choose for your child not to eat the lunch provided, you may send their lunch. Consult the activity schedule to determine if additional items or money are needed. Throughout the program some of our field trip destinations have an arcade, gift shop and/or concessions. Sending money for these situations is optional and completely up to the parent. **Children are responsible for keeping up with all their belongings, including their own money. Please provide your child with a backpack or some kind of "hands free" bag or secure pocket for them to carry their own items.**

If your child chooses to bring valuable electronics, such as phones, iPods and gaming systems, most of the time the children's items are not in a secure place and these items are at risk of being stolen or damaged. Also, if your child brings an item such as this, the content and material, including music, games, pictures and internet usage should be appropriate for all ages involved in our program.

Medication: If your child needs to receive medication while they are attending this program, you must fill out a medication release form. Please see a staff person for one of these forms.

2020-2021 Flurry of Fun Program Registration Form

Child's name _____ Male or Female

Grade in school _____ Age _____ Birthday (Month) _____ (Day) _____ (Year) _____

Father's name _____ phone # _____

Mother's name _____ phone # _____

Address _____

Email _____

In case of emergency contact (other than above):

Name _____ phone # _____

Who can pick-up your child and what is their relationship to your child?

*****Please include PARENTS who are eligible to pick up.*****

Dismissal by Phone

Many of our children have a cell phone and some parents like the convenience of calling their child to say they should "check out" of the program. By marking the "Yes" box below, you give our staff permission to release your child when your child tells us that someone on their pick-up list has requested for them to be released. For these situations, our staff does not actually talk to or see the pickup person – we are relying on what the child says.

Yes

Medical Information: The following information is requested by the program staff so that they may be better prepared if your child needs special attention. Please respond in the space provided below as to whether your child has any of the following conditions: allergies, heart problems, physical limitation, emotional problems, headaches or any other problems that may require special staff attention. Please include any information you feel we need to be aware of.

Release Form: I, the below signed, state that I will not hold the City of Sevierville, Sevierville Parks and Recreation Department, or any persons connected with this program responsible or liable for any accident which may occur while my child is participating in the program. I have read the attached material and I am aware of the activity schedule. I give my permission for my child to be involved in all activities during the program. I also authorize the Parks and Recreation Department staff to obtain emergency treatment for my child if I cannot be reached.

I release the Sevierville Parks and Recreation from any claim for damages or compensation for their use of photographs and/or video of my child taken, individually or in a group, while my child is participating in activities sponsored by the department. All photographs and/or video shall become the absolute property of the Sevierville Parks and Recreation, which shall be entitled the use of all photographs and video. Photos and/or names might be used in the media, including the internet.
